RE: Scope determination on antidumping duty order on glycine from the People's Republic of China (A-570-836)

1. On 10/24/2016, in response to a request by Elan Chemical Co., Commerce issued a final scope determination that glycine which Elan Chemical Co. imports, and characterizes as "natural glycine with 14 isotopes," is within the scope of the antidumping duty order on glycine from the People's Republic of China (A-570-836).
2. Because the imported product is glycine, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of glycine from the People's Republic of China, including glycine imported by Elan Chemical Co. described above, subject to the antidumping duty order on glycine from the People's Republic of China.
